Penthouse for Sale to Milano

175 square meters | : 2 | : 2 | : 4

Milan Corso Buenos Aires, in a prestigious period building dating back to the mid-1800s, we offer for sale an exclusive penthouse on two levels of 175 m2.
The apartment is accessed with the condominium lift on the 5th floor where we find a large entrance hall, a double bedroom, a large bathroom and a study room, currently open to the entrance, with a walk-in closet. Going up the internal staircase to the 6th and last floor you arrive at a very large open space with a large kitchen, a large living room with fireplace and a study corner. This large and bright living area has the characteristic of having ceilings over 5 meters high with exposed wooden beams, making this environment even more intimate and engaging. From the living area there is then access to a hallway where we find another large bathroom and a large double bedroom. The property is furnished with taste and style, with custom-made furniture that takes advantage of every available corner for optimal organization of the space. The finishes of the house are excellent and the property is free immediately. Thanks to the large windows as well as the Velux, the apartment is always bright and well ventilated and the air conditioning guarantees comfort in every season. Being on the sixth floor, the apartment enjoys unique tranquility and privacy.
The building is equipped with a security system and a half-day concierge service.
The Buenos Aires area is one of the most sought after in Milan, with a vast choice of shops, restaurants and services of all kinds.
The location is strategic, well served by public transport and close to the main attractions of the city. The apartment is ideal for those who want an elegant and comfortable solution in one of the most exclusive areas of Milan.
Don't miss the opportunity to own this real estate gem.
